Staff arrival is at 5:30pm on the 1st day for the camp you are serving at. We will gather in the Lodge and share a meal and a time of fellowship. After the meal, you will receive instructions and a schedule for this time together as a staff prior to campers arrival on Tuesday morning at 7:30am. This will be a mandatory staff gathering for training, prep for and set up time for the camp. ***If you need to arrive at a different time than this – please contact the program coordinator shown below to make this arrangement ahead of time.***

Due to regulations - adults over the age of 18 only can stay on campus for the Sunday and Monday nights of the staff trainings. This is a time for staff – counselors and CIT's only - for this time to accomplish mandatory training, preparation for Bible lessons and all the activities of the camp. Children under age 18 of staff can join us on campus from Tuesday-Thursday of each camp duration.

CIT's (under age 18) will need to make arrangements to be at the camp for training time but will not be allowed to sleep at the camp on the Sunday & Monday nights. They can stay from Tuesday morning until Thursday evening. If any of this creates a hardship for any family, please talk to the Program Coordinator to discuss this and figure out options.

CAMPER PICK UP: A Family Gathering will be held at 6:00PM on the final day, with camper release after ceremony – at approximately 6:45pm. Campers will be checked out at the end of Family Gathering and medications returned by the nurse at that time. Staff is responsible to help during camper check out. ***If you need to make arrangements to leave at an earlier time – please contact the program coordinator to notify them ahead of time.***
